President's Message

Hello, fellow carvers,

Want to remind everyone that there will not be a meeting this month. Instead of a meeting we will have our annual picnic at Bush's Pastures Park on the south end. The picnic will be on Tuesday, August 30, our regular meeting day. Please bring along a dish to share with others, along with your own selection of drink, silverware, plates etc along with chairs. If you want to do any carving please bring that along as well. The picnic will start at 6 pm.

The very next day we will begin our two day opportunity to show how great our club is at the State Fair. We will be in the Columbia Building on both Aug 31, and Sept 1 from 10 am until about 9 pm each day. We thankfully have enough volunteers to man the booth for both days. I want to personally thank all those that signed up. It will be an enjoyable time while you are there. It will be a great opportunity to carve, paint, and share one of your passions with people who would like to be carvers. Maybe we will even recruit a few new members.

As far as I know we only have one tool left from Bill Grater's collection. The last piece is a

small sander / sharpener. See Figure 1.

Many of us are working on making some Christmas decorations for our families or ornaments for the club so type in the following link into your computer and you can watch a nice video on how to make a nice Santa face: <https://www.youtube.com/watch?v=c9nuldk86UE>. (There is also a simple penguin Santa

pattern at the end of this newsletter.)

Please mark on your calendars that our next regularly scheduled meeting will be on Sept. 27. Hope to see many of you at both the picnic and the next meeting!
Jack Dalton, Pres.
