President's Message

Happy New Year fellow carvers! I am honored and excited to be your new president for the coming year. I will attempt to be as good as our previous presidents and represent our organization with honor and integrity. If you should ever have a concern or comment you can contact me via email at: jbdsalem@gmail.com or my cell phone 503-931-9718.

I would like to take this public opportunity to thank Frank Campbell for his service as leader of our organization this past year. Thank you Frank for all you have done for us this past year! We appreciate your willing service!

On January 9, we held an executive board meeting. During that meeting we discussed the upcoming year as a board and what our objectives would be.

It was decided that we would once again send out hard copies of the monthly newsletter via regular mail. You can look forward to receiving your first one in a few days.. We will also continue to post the newsletter on our website. Hopefully we will be able to include carving ideas and links for interesting topics as well.

In each newsletter you will find a yearly calendar of events for reference.

We also established a table fee for the previously "free" tables at our April Club show. The new fee will be \$5.00 per 3' or 6' table. Other fees for those that wish to sell their products and our vendors will also increase by \$5.00.

We have established a committee to review what needs the club might need this coming year to make it more productive. That committee will make recommendations and report back to both the executive board and the general membership once those recommendations have been determined. The committee will consist of myself (as president), Bill Grater (Treasurer), Janice Besing (Secretary), Dave Disselbrett (Member-at-large, MAL) and Denis Miller (MAL). If you have thought of items that you feel would improve the club please feel free to contact me or others on the committee.

The board also expressed the need to have additional signers on the club checkbook. Each year the new President and Vice President will be made an additional signer with the bank.

It is my hope that we will have at least one executive board meeting per quarter during the coming year. As you know we try to have presenters during our monthly meetings. Please make yourself available to Donna Miller, VP, if you have a skill that we can all learn from. We
