

# Carvers Corner

Capital Woodcarvers of Salem

July 2013

## President's Message

I hope that all of you are having a great summer! It sounds like some of you've had some interesting experiences along the way. I hope to hear more of them as the months go along. I know that some of our members have not been so lucky to have a good time since health issues have gotten in the way, I wish them a happy and speedy recovery.

A big thanks to Frank Campbell for filling in for me last month I heard the meeting was short and to the point. This month our program will be presented by longtime member and stick carver, Mr. Jim Boatner. Jim will be demonstrating carving walking sticks, talking sticks and carving canes. Jim will also be at our rendezvous in September and may still have room in his classes.

When I've been able to get to the carving sessions I've been seeing some great carvings. Come to the meeting and see them for yourself. Lots of good ideas to be shared here. Speaking of carving, last month in the news letter we listed those members who have not paid their dues for 2013. You can either send the by mail or see Bill Grater to pay your dues. By the way, Bill can sell you t-shirts and club patches at the meetings – be sure to check them out!

Some events to mark on your calendar for the coming months are the annual picnic on our regular meeting day in Busch park ( We will be at the south west corner of the Park, and start at 6:00 P.M. ) The state fair is coming up and we will be there carving on opening day, and during the fair at the Artisan Village. Deadline for entering your carvings is August 2nd. Talk with Lou Wakefield if you need more information. There are a lot of things going on from now to December – keep your eyes and ears open for that info.

I notice that Frank Campbell is the only one signed up for treats for July. If you are so inclined you might just bring something to share with the group ( Those wrestling matches at the treat table upset some of our members). Also, bring a neighbor or friend to the meeting and show them what they are missing!
