President's Message

Happy Mother's Day to all our Capitol Woodcarver Mom's! I hope you received all the attention you deserve.

What a pleasure it was to see so many of you at our annual show just a few weeks ago. To see all the artistry on display was certainly a proud moment for our club. As the annual show is one of the most visible events of our club, our membership should be eternally grateful for the effort. I've shared my thanks a number of times with Denis Miller and the entire show planning committee, but I must offer them again. To everyone that contributed, I thank you!

Where are you going this summer? I hope that woodcarving is on your calendar and that we will see you at the Northwest Carving Academy, the Oregon State Fair, the Oregon Woodcarving Rendezvous and the Columbia Flyway Show. You never know when or where a new woodcarver is hiding. So, I hope that you will share the information about these events and encourage others to join in. It could be the inspiration that they need to get started.

If you've always wanted to carve a comfort bid, I hope that you'll join us at the end of the month at our next club meeting. Everett Carter will lead our program and share the art of comfort bird carving. It promises to be another terrific meeting. I hope to see you there.

Happy carving everyone, Terry

May Club Meeting

May Club Meeting

The May 28 Club Meeting will be a good one. The program is Everett Carter conducting a "carve along" session. The subject of the session will be a comfort bird.

Participants will need a knife and a pencil. A small gouge might help.

See you at 7:00PM, May 28 at Center 50+.

Open Carving

Open Carving Session

Good things are happening at the Keizer Art Association craft room on the first and the third Thursday of each month, from 9:00 AM to

1:00 PM. Several bird, bark, chip and caricature carvers gather to create, learn from each other, and join in the camaraderie carvers are known for.

Everyone is welcome, especially new carvers and those just interested in seeing if it's an art they wish to pursue. There is always someone there willing to help a newbie get started.

Some folks (all are welcome) meet at Mommy & Maddie's in Keizer, for breakfast at about 8:15 AM prior to heading over to the Keizer Art Association craft room. (980 Chemawa Rd NE, Keizer, OR)
